Atlan A300, A300 XL, A350, A350 XL, SW 1.01

Dräger acknowledges the importance of open source and the Open Source Community.

We make use of FOSS during the development as well as in our products. Open source software allows us to create better products and ultimately provide better service for our customers worldwide.

We would like to thank the following Open Source Projects:

OpenSSL 1.0.2l

This product includes software developed by the OpenSSL Project for use in the OpenSSL Toolkit (<http://www.openssl.org/>)

Further it includes cryptographic software written by Eric Young (ey@cryptsoft.com).

This product includes software written by Tim Hudson (tjh@cryptsoft.com).

zlib 1.2.8

This product includes software developed by the zlib Project.

The author of this software are Jean-loup Gailly and Mark Adler.

We further also thank all other developers of every Open Source Project included in this product.
