REGARD

Dräger acknowledges the importance of open source and the Open Source Community. We make use of FOSS during the development as well as in our products. Open source software allows us to create better products and ultimately provide better service for our customers worldwide.

We would like to thank the following Open Source Projects:

The FreeType Project 2.5.5

Portions of this software are copyright © 1996-2002, 2006 The FreeType Project (www.freetype.org). All rights reserved.

Qwt Project

REGARD is based in part on the work of the Qwt project (http://qwt.sf.net).

We further also thank all other developers of every Open Source Project included in this product.
