Dräger acknowledges the importance of open source and the Open Source Community.

We make use of FOSS during the development as well as in our products. Open source software allows us to create better products and ultimately provide better service for our customers worldwide.

We would like to thank the following Open Source Projects:

MiniZip 1.1

This product includes software developed by the MiniZip Project. The author of this software is Gilles Vollan.

We further also thank all other developers of every Open Source Project included in this product.
